Changes to the Champion Plus (HMO C-SNP) 2026 Evidence of Coverage

October 15, 2026

This is important information on changes in your Champion Plus (HMO C-SNP) coverage.

We previously sent you the 2026 Evidence of Coverage (EOC) which provided information about your coverage as an enrollee in our plan. This notice is to let you know there were errors in your EOC. Below you will find information describing and correcting the errors. Please keep this information for your reference. The complete, corrected EOC can be found on our website at www.ChampionHMO.com.

Changes to your EOC

Where you can find the error in your 2026 EOC	Original Information	Corrected Information	What does this mean for you?
PDF Page 48, Section 2, information related to the Benefit Chart, last bold bullet	When you see this symbol "†" next to a cost share amount it means that if you have full Medi-Cal benefits, you will pay $0 for your Medicare-covered services	This language was removed to eliminate any confusion. This plan is a Chronic Condition Special Needs Plan (C-SNP), not a Dual Eligible Special Needs Plan (D-SNP).	There is no impact on your cost sharing for this plan as the amounts reflected in your 2026 EOC are accurate.
