The benefit information provided is a summary of what we cover and what you can expect to pay. It doesn't list every service that we cover or list every limitation or exclusion. For a complete list of services, we cover, please access the "Evidence of Coverage" booklet at **championhmo.com**.

To join **Champion Select (HMO POS C-SNP)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area, and have ESRD requiring dialysis (any mode of dialysis). Our service area includes the following counties in Nevada: Carson City, Churchill, Clark, and Washoe.

As a Point-of-Service (POS) plan, you can use providers outside of the plan's network but you may have an additional cost. Make sure your provider participates in Medicare.

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-800-885-8000, TTY 711.

Und	lerstanding the Benefits
	The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit championhmo.com/member/plan-documents or call 1-800-885-8000, TTY 711 to view a copy of the EOC.
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
	Review the formulary to make sure your drugs are covered.
Understanding Important Rules	
	In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
	Benefits, premiums and/or Copayments/co-insurance may change on January 1, 2026.
	Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
	This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
	Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
