Medicare Advantage Plans (HMO, HMO-POS, HMO C-SNP):

These Medicare Advantage Plans provide all Medicare Part A and Part B benefits, and all include Medicare Part D prescription drug coverage (MAPD). Some plans are designed for individuals with specific needs, such as those with chronic conditions (Chronic Condition Special Needs Plans, or C-SNPs).

_____**Medicare Advantage HMO (Health Maintenance Organization):** You must use doctors, hospitals, and other providers that are in the plan's network, except in emergencies. You must choose a primary care doctor and you may be required to obtain referrals to see specialists.

_____**Medicare Advantage POS (Point of Service) Plans (HMO-POS):** These plans combine features of HMO plans with some out-of-network coverage. You select a primary care physician within the network and can see out-of-network providers for specific services and coverages. You may have different cost shares when seeing out-of-network providers. Some C-SNPs include a POS option allowing some access to out-of-network providers. This option is only available for the Champion HMO-POS Plans associated with its CKD/ESRD C-SNPs.

_____**Chronic Condition Special Needs Plans (HMO C-SNP):** These plans are designed for people with specific chronic conditions, such as Chronic Kidney Disease (CKD) including End Stage Renal Disease (ESRD), Diabetes, or Heart Disease, Chronic Heart Failure (CHF), Coronary Artery Disease (CAD), or Cardiac Arrhythmias, or behavioral health conditions like Schizophrenia, Schizoaffective Disorder, Bipolar Disorder, Major Depressive Disorder, or Recurrent Paranoid and other Psychotic Disorders. They tailor benefits, provider choices, and drug formularies to best meet the specific needs of the group they serve. Some C-SNPs include a POS option allowing some access to out-of-network providers. You may have different cost shares when seeing out-of-network providers.

FOLD - HOLD - TEAR

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit championhmo.com/member/plan-documents or call 1-800-885-8000, TTY 711 to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or Copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts

FOLD - HOLD - TEAR

For Special Needs Plans Only

- ☐ This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
